

STREETWISE OPERA'S THEORY OF CHANGE

IMPACT

PERFORMERS ARE MORE ABLE TO MAKE AND SUSTAIN POSITIVE CHANGES IN THEIR LIVES

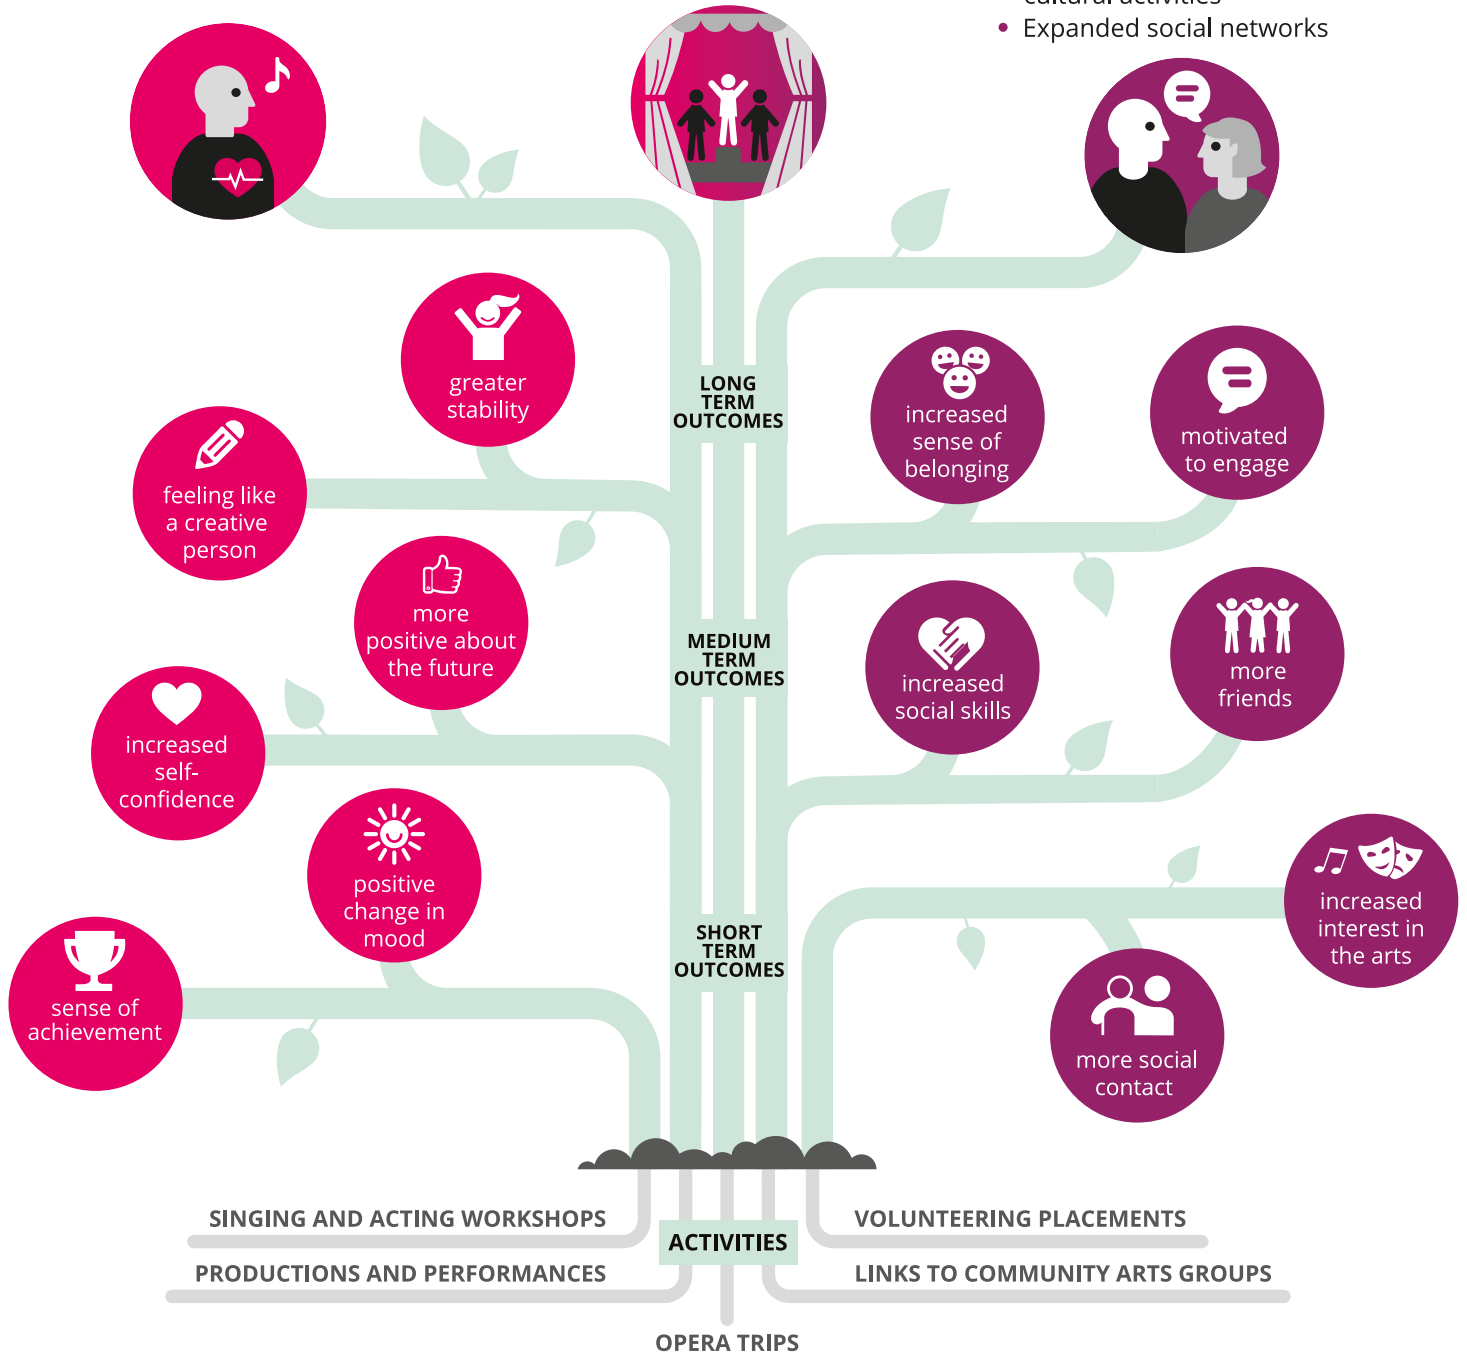

- More involvement in community and cultural life
- Increased engagement in education, training, work and volunteering
- Increased resilience for dealing with challenges including housing

IMPROVED WELLBEING

- Improved mental health
- Feeling physically healthier
- More able to manage health issues
- Feeling more independent

INCREASED SOCIAL INCLUSION

- Increased engagement with services
- Stronger relationships with people
- Greater involvement with other cultural activities
- Expanded social networks

CONTEXT

People who are or have been homeless are often socially isolated, culturally excluded and have poor mental and physical health
